

**US ARMY GARRISON  
FORT WAINWRIGHT, ALASKA  
NOTICE OF AVAILABILITY**

**Final Environmental Impact Statement (EIS) for the Disposition of Hangars 2 and 3,  
Fort Wainwright, Alaska**

The Department of Army announces the availability of a Final EIS that analyzes and evaluates the potential environmental impacts associated with implementing reasonable disposition options for two historic World War II-era hangars—Hangars 2 and 3—and supporting infrastructure located on the Main Post of Fort Wainwright, Alaska. The two hangars are contributing structures to the Ladd Field National Historic Landmark and the Ladd Air Force Base Cold War Historic District. Environmental consequences were analyzed for one action alternative and the No Action alternative.

Copies of the Final EIS are available for review beginning on **January 31, 2014**, which marks the beginning of the 30-day waiting period, at the **Noel Wien Library, 1215 Cowles Street, Fairbanks, Alaska**. The Final EIS may also be reviewed at: **<http://www.wainwright.army.mil/env/NEPA/Current.html>**. After the 30-day waiting period, the Department of the Army plans to issue a Record of Decision announcing its decision.

Questions or requests for additional copies of the Final EIS should be forwarded to Mr. Matthew Sprau, Directorate of Public Works, Attn: IMFW-PWE (Sprau), 1060 Gaffney Road #4500, Fort Wainwright, AK, 99703-4500; fax: (907) 361-9867; or by email: [matthew.h.sprau.civ@mail.mil](mailto:matthew.h.sprau.civ@mail.mil).
